

CHÂTEAU FERRANDE

GRAVES

VINTAGE 2021

TASTING NOTES

Aromatic and intense on the nose, green apple and elderflower. The palate is creamy and supple, a lovely core of flavor, gentle but deep and round. A lovely precision and verticality to this, pristine fruit but the loveliest texture also. So easy to drink with a definite florality all the way through and a delicious salinity on the finish that is so appealing.
