Château de Goëlane is an easy-to-drink, fruit-forward red. The cherry and dark fruit aromas that dominate the nose are equally present on the palate, along with an ample, fleshy mouthfeel. The Cabernet Sauvignon that thrives on the estate's chalky clay slopes and makes up 25% of the blend, brings structure and a hint of spice. At once dense and supple, Château de Goëlane is remarkable for its overall elegance.

Varietals:

70% Merlot
30% Cabernet Franc
