

CHATEAU HAUT SURGET

LALANDE DE POMEROL
2014

The vineyard of CHATEAU HAUT SURGET stretches over 35 ha.

SOIL :

Gravelly, limestone and clay.

VINEYARD :

There is a rigorous selection of the grapes with green harvest in July.

VINIFICATION :

In September, all the grapes are manually selected thanks to two sorting tables. The thermo-vinification is made in concrete vats with 4 to 5 weeks of maceration.

MATURATION :

CHATEAU HAUT SURGET is aged for 12 months in new and first wine barrels.
