FONDÉE EN 1885

MARCEL DUBOIS Vouvray AOP

Since 1885, six generations of BOUGRIER have mastered the art of Wine making in Loire Valley, creating delicate and subtle wines while working in the utmost respect of land and people... We wish you a great pleasure tasting our wines. MARCEL DUBOIS was a good friend of Jean-Claude BOUGRIER, the 4th generation of the family story and he decided to create a brand to pay tribute to his good friend.

Fresh aromas of melon, lemons and minerals are delightfully clean on the nose. Ripe juiciness explodes on the palate, quickly followed by refreshing minerality and lingering notes of white flowers, honeysuckle and lemon zest.
Delicious.
